Dear Pekka and Jyri,

First of all, thank you very much for our pleasant and productive meeting. As promised, I am attaching my presentation to this email. Please feel free to let me know if you have any questions or require further information.

For our next meeting, I have also added Dr. Volkan Kahraman, who is responsible for Erasmus agreements at our university, to the email thread. If there is someone in your institution who oversees Erasmus collaborations, please feel free to include them as well.

Below are several date and time options for our follow-up meeting. I would appreciate it if you could let me know which one is most convenient for you. Once confirmed, I will send you the Microsoft Teams link.

- 11th December 15:00 or 16:00 (Türkiye time)
- 15th December any time from 09:00 to 16:00 (Türkiye time)
- 19th December any time from 09:00 to 16:00 (Türkiye time)

Thank you again for your time and cooperation. I am looking forward to our continued collaboration.

Saygılarımla,
Best regards,

Asst. Prof Dr. Gamze DÜVEN

Hello,

Apologies for not responding. I have been trying to get hold of our organization's Erasmus coordinator. We haven't had anything to do with Erasmus for a long time, so it has taken a while.

The rest of the year is really busy for us. I suggest we schedule a meeting for early next year. I suggest January 8, 2026. How does that work for you? If that doesn't work, please suggest something else.

Our Erasmus coordinator is CCed in this message.
