

## "New Year Celebration Event for Children Receiving Oncology Treatment"

## 'New Year Celebration Event for Children undergoing Oncology Treatment'

ONKODAY, in cooperation with Uludağ University Faculty of Health Sciences, Universal Health Community and Uludağ University Faculty of Medicine, Radiation Oncology Unit, organised a New Year's Eve event on 29.12.2021 for children being treated at the Radiation Oncology Unit. In addition, a video with a new year greeting message was prepared for children diagnosed with cancer and delivered to the children through the association and families. We congratulate our students who contributed.
