

**THE REPUBLIC OF TURKEY
BURSA ULUDAĞ UNIVERSITY
GRADUATE SCHOOL OF HEALTH SCIENCES
2024–2025 ACADEMIC YEAR FALL SEMESTER
GRADUATE PROGRAM QUOTAS AND APPLICATION CONDITIONS**

Dear Candidates,

Bursa Uludağ University Graduate School of Health Sciences was awarded the ORPHEUS label on 13 March 2024, which aims to develop and expand the basic standards and good practices in doctoral education in biomedicine and health sciences in Europe and aims to raise the standards of the qualifications of candidates who will graduate from doctoral programs.

In our Graduate School, education is provided by international ORPHEUS good practice standards. Starting from the 2024-2025 academic year, our students who will enroll in the PhD programs of our Graduate School will graduate with the ORPHEUS label.

Your applications to receive postgraduate education at the Graduate School of Health Sciences of our University in the fall semester of the 2024-2025 academic year will be made according to the principles stated below. We kindly request you to carefully review the announced application conditions in order to ensure that your application and registration processes are completed without any errors.

BUU Graduate School of Health Sciences Management

APPLICATION, INTERVIEW AND FINAL REGISTRATION DATES

Application, interview and final registration dates will be made according to the calendar specified below.

| | |
|---|---|
| Online Application Date | 09-10-11 September 2024 17:00 |
| Scientific Evaluation / Announcement of Interview Participants | 13 September 2024 |
| Scientific Evaluation / Interview Date | 16 September 2024 |
| Scientific Evaluation / Interview Location | Related Department |
| Scientific Evaluation / Interview Time | 10:00 |
| Announcement of preliminary results | 18 September 2024 |
| Objection date and time of preliminary results (Final results will be announced after the three business days objection period.) | 18-19-20 September 2024 16:00 |
| Announcement of final results | 23 September 2024 |
| Final Registration Dates | 24-25-26-27 September 2024 16:00 |
| Announcement of Reserves | 30 September 2024 |
| Final Registration Date of Reserves | 01 October 2024 16:00 |

ON-LINE APPLICATION PROCEDURES

Applications for programs for which quotas have been announced in the fall semester of the 2024-2025 academic year will be made electronically via the internet within the application dates, without interruption. Before starting the “On-line Application” process, carefully read the information regarding the quotas, application conditions and evaluation criteria below.

IMPORTANT NOTICES

1. The interview quota will be 30 for programs with 15 or less quotas, and twice the quota for programs with more than 15 quotas.
2. Candidates can apply to a Thesis or a Non-Thesis program at the same time. It is not possible to apply to two thesis or two non-thesis programs at the same time.
3. Applications will be made "on-line". Applications by mail will not be accepted.
 - *Candidates are required to submit the on-line application form to the interview jury members during the interview.*
 - *Candidates must bring their "transcripts" (certified photocopies) showing their undergraduate/master's grade point averages, which they declared during their application, with them during the interview and it is **mandatory to keep them and submit them to the interview jury**. Candidates who do not submit their transcript to the interview jury will not be interviewed. Even if they attend the interview, their applications will be deemed invalid. The transcript received from e-government is valid.*
4. The information filled in during the online application will be considered as the candidate's declaration.
Candidates who are eligible for final registration must register in person with the required documents at the Directorate of the Graduate School of Health Sciences within the announced final registration period **(In transactions that cannot be completed in person due to force majeure, delays will not be taken into account in documents sent by registered mail or courier)**
5. Applications that do not comply with the prerequisites of the Department and Bursa Uludağ University Graduate Education Regulations will be rejected.
6. Candidates must follow their interview lists and results through the online system where they applied.
7. During the evaluation phase, if students have both 4-point grading system scores and universities' 100-point system scores on their transcripts, the student must **definitely** enter their 4-point system score into the system.
8. These grades are automatically converted by the online application system in accordance with YÖK's 4-point system conversion table.
9. Foreign national candidates must have their relevant documents approved by the Foreign Representatives of the Republic of Turkey in their own country and must bring copies of the approved documents translated into Turkish by a Sworn Translator to the institute.
10. Foreign national candidates who are entitled to final registration must first register with our Institute and obtain a student number.
11. A graduation grade of 2.25 is not required for candidates who have worked as managers in the public or private sector for at least 10 years. Candidates in this situation must submit documents proving that they are a manager to our Institute within the application dates.
12. The tuition fee for foreign candidates is 19.953,00 Turkish Liras for one semester (fall semester)

APPLICATION PROCEDURES

APPLICATION CONDITIONS AND CRITERIA AND EVALUATION / ACCEPTANCE:

APPLICATION CONDITIONS and CRITERIA:

1. ALES result document; (ALES exam results are valid for 5 years from the date of announcement.) **A minimum of 55 points is required for Master's / PhD Programs, and 80 points are required for those applying for a PhD with a bachelor's degree. The ALES score type for the Department of Coaching Education of the Faculty of Sports Sciences is EQUALLY WEIGHTED, while the ALES score type for other departments is NUMERICAL.**

** **ALES Certificate is not required for foreign candidates.***

2. The Medical Specialty Examination (TUS) score is valid for a period of 5 years from the date of the examination. For candidates who have completed their expertise, a validity period of five years is not required by the relevant Higher Education Council Decision.
3. Foreign Language Exam Result Certificate; (The validity period for foreign language exams held by ÖSYM is determined as the last 5 years.) ***The Foreign Language requirement for the Master's Program is required in some Departments according to the decision of the Departments, and this is stated in the prerequisites. **For the PhD Program, it is required to have at least 55 points.**

*** Including foreign nationals, having received at least 55 points for PhD from YDS/YÖKDİL or International foreign language exams whose equivalence is accepted by ÖSYM. is required (For foreign candidates, it must be other than their native language).*

4. **Foreign national candidates who will apply for Thesis/Non-Thesis Master's and PhD programs** are required to have a C1 level document proving that they have passed the Turkish exam conducted **by the language centers of universities or YEE / ULUTÖMER** (those studying in Turkey are excluded).
5. Graduation Certificate: **A certified copy of the Bachelor's Certificate for those applying for the Thesis/Non-Thesis Master's program, and a certified copy of the Master's Certificate with Thesis for those applying for the PhD program. The original or an officially approved copy of the recognition certificate received from the Council of Higher Education, along with the diploma or graduation certificates from candidates who have completed their undergraduate/master's program abroad.**

6. **Transcript: *The approved document (transcript-transcript) containing the general academic achievement GPA, which forms the basis for graduation, is valid.**

** Graduation grade point average; at least 2.25 according to the 4-point system*

according to the 100-point system, a minimum score of 59.16 is required.

**Among those who apply to the PhD program with a bachelor's degree; at least 3.00 according to the 4-point system*

according to the 100-point system, at least 76.66 points are required

PRE-ASSESSMENT BEFORE THE INTERVIEW

| Program Name | ALES Score | Graduation Grade Point Average |
|---|------------|--------------------------------|
| Preliminary Evaluation Percentages Before Interview / Science Exam (The Republic of Turkey Thesis Master's / PhD) | 50 % | 50 % |
| Preliminary Evaluation Percentages Before Interview / Science Exam (MSc without Thesis / Foreign Nationals) | - | 100 % |

Note: 1- Pre-evaluation list ranking is done with the score types and percentages given in the table, excluding the interview score.

Note: 2- The pre-evaluation percentages before the Interview / Science Exam and the percentage evaluation rates after the Interview Score are given are different.

EVALUATION AND ACCEPTANCE

| Program Türü | ALES Score | YDS Score | Graduation Grade | Scientific Evaluation and/or Interview Score |
|--|------------|-----------|------------------|--|
| Program Type | % 50 | - | % 20 | % 30 |
| Thesis Master's and PhD Evaluation Percentages (The Republic of Turkey Nationals) | - | - | % 50 | % 50 |
| Non-thesis Master's Degree Evaluation Percentages (The Republic of Turkey Nationals) | - | - | % 50 | % 50 |

General success grade:

✓ Master's Degree with Thesis, Master's Degree Without Thesis and PhD (The Republic of Turkey Nationals)
It is 65 for Master's Programs and 70 for PhD Programs; candidates with scores below these scores are considered unsuccessful.

✓ Master's Degree with Thesis and **PhD** (Foreign Nationals)
It is 65 for Master's Programs and 70 for PhD Programs; candidates with scores below these scores are considered unsuccessful.

Note: Postgraduate Scientific Evaluation and/or Interview Exams will be held **face to face / on-line** upon the request of the Department.

K Quotas And Prerequisites

BUU INSTITUTE OF HEALTH SCIENCES In the spring semester of the 2024 - 2025 academic year, Master's and Doctoral Students with Thesis / Non-Thesis will be admitted to the following Departments.

| FACULTY / DEPARTMENT | PROGRAMME | QUOTAS | | PREREQUISITES |
|---|---|--------|------|--|
| | | T.C. | F.N. | |
| Faculty of Medicine - Anatomy | PhD (Click for Thesis Topic Konusu) | 2 | 1 | <ul style="list-style-type: none"> - To be a graduate of Faculty of Medicine, Faculty of Dentistry or Faculty of Veterinary Medicine. - 1 quota requirement (Foreign National): To have obtained specialization in Medicine. |
| Faculty of Medicine - Physiology | Master | 3 | | -To be a graduate of Molecular Biology and Genetics Department, Faculty of Science Biology Department, Faculty of Health Sciences Nursing Department, Faculty of Health Sciences Physiotherapy and Rehabilitation Department, Faculty of Sports Sciences, Biomedical Engineering |
| | PhD (Click for Thesis Topic) | 3 | | -2 Quota requirement: To be a graduate of Faculty of Medicine, Faculty of Dentistry, Faculty of Veterinary Medicine or to have a Master's Degree in the field of Medicine-Physiology. -1 quota condition: To have a degree of specialisation in Medicine. |
| Medicine-Histology and Embryology | Master | 1 | | <ul style="list-style-type: none"> - To be a graduate of the Faculty of Science Biology Department. - To have obtained a minimum score of 50 in centrally accepted Foreign Language exams by the Council of Higher Education (YÖK). |
| | PhD (Click for Thesis Topic) | 1 | | -To be a graduate of the Faculty of Medicine or Faculty of Veterinary Medicine or to have a master's degree with a thesis in a master's program offered in the Department of Histology and Embryology of Medical Faculties. |
| -Reproductive Biology and Clinical Embryology | Master | 1 | | <ul style="list-style-type: none"> -Bachelor's degree in Biology or Molecular Biology and Genetics from the Faculty of Sciences, -To have at least 50 (fifty) points from the central Foreign Language exams accepted by the Council of Higher Education. -Two semesters Scientific Preparatory Programme is applied. |
| Medicine-Microbiology | Master | 2 | | <ul style="list-style-type: none"> - To be a graduate of the Faculty of Science, Biology; Faculty of Science, Molecular Biology and Genetics; Faculty of Science, Chemistry; Faculty of Medical Biology; Faculty of Nursing; Faculty of Textile Engineering and Faculty of Pharmacy. |
| Faculty of Medicine – Medical Biology | Master | 5 | | <ul style="list-style-type: none"> - To be a graduate of Faculty of Science or Faculty of Science and Letters, Department of Biology or Department of Molecular Biology and Genetics. -To have at least 50 (fifty) points from the central Foreign Language exams accepted by the Council of Higher Education. |
| | PhD (Click for Thesis Topic) | 1 | | -To have a master's degree in the Department of Medical Biology. |

| | | | | |
|--|--|---|--|---|
| Faculty of Medicine - Immunology | Master | 1 | | -To be a specialist medical doctor in the field of Pulmonary Diseases and Tuberculosis. |
| Faculty of Medicine- Radiation Oncology (Health Physics) | Master | 1 | | -To be a graduate of the Physics Department of the Faculty of Science or Physics Engineering Department of the Faculty of Engineering. -To have at least 50 points from the central Foreign Language exams accepted by the Council of Higher Education. |
| Faculty of Medicine- History of Medicine and Ethics | Master | 1 | | - To be a graduate of a higher education programme (at least 4 years) in the fields of Health Sciences. -Preparing an essay stating why the candidate wants to receive a master's degree in the field of History of Medicine and Medical Ethics. |
| | PhD (Click for Thesis Topic) | 1 | | -To be a healthcare professional who has completed at least 5 years of undergraduate education (Veterinary Medicine, Medicine, Dentistry and Pharmacy) -It is necessary to submit an essay explaining the reason for the desire to receive doctoral education in the field of History of Medicine and Ethics. |
| Translational Medicine | PhD (Click for Thesis Topic) | 4 | | -1 quota requirement (Master's degree); To have graduated from the Physics Department of the Faculty of Sciences and to have a Master's degree in Physics; -1 quota requirement (Undergraduate Graduate); To be a graduate of Faculty of Sciences (Physics) or Faculty of Engineering (Electrical-Electronics Engineering, Biomedical Engineering); -1 Quota requirement (Undergraduate Graduate); To be a graduate of Faculty of Sciences (Molecular Biology and Genetics); -1 quota requirement (Undergraduate Graduate); To be a graduate of Faculty of Engineering (Electrical-Electronics Engineering, Computer Engineering, Biomedical Engineering). |
| Veterinary-Anatomy | Master | 1 | | -To be a graduate of the Faculty of Veterinary Medicine, Faculty of Health Sciences or the Department of Biology in the Faculty of Arts and Sciences. -To obtain at least 50 points from centrally administered Foreign Language exams accepted by the Council of Higher Education (YÖK). |
| | PhD (Click for Thesis Topic) | 1 | | - To be a graduate of the Faculty of Veterinary Medicine. |
| Veterinary - Food Hygiene and Technology | PhD (Click for Thesis Topic) | 1 | | - To have graduated from the Department of Nutrition and Dietetics and to have a master's degree in the Department of Veterinary-Food Hygiene and Technology. |
| Veterinary Biochemistry | Master | 2 | | -1 quota condition; To be a graduate of Veterinary Faculty -1 Quota requirement; To be a graduate of Faculty of Veterinary Medicine, Faculty of Dentistry or Faculty of Pharmacy; To be a graduate of the Biology Department, Molecular Biology and Genetics Department, Biochemistry Department, Chemistry Department or Biotechnology Department of the Faculties of Science and Letters or Science, Biology Education or Science Education graduate of the Faculty of Education, Bioengineering graduate of the Faculty of Health Sciences. |
| Veterinary-Surgery | PhD (Click for Thesis Topic) | 1 | | - To be a graduate of the Faculty of Veterinary Medicine. |
| Veterinary-Fertilisation and Artificial Insemination | PhD (Click for Thesis Topic) | 4 | | - To be a graduate of the Faculty of Veterinary Medicine. |

| | | | | |
|---|--|----|---|---|
| Veterinary Medicine-Pharmacology and Toxicology | Master | 1 | | -To be a graduate of Faculty of Veterinary Medicine, Faculty of Science , Department of Biology or Chemistry, Faculty of Agriculture, Department of Food Engineering. |
| | PhD (Click for Thesis Topic) | 1 | | -To be a graduate of Faculty of Veterinary Medicine, Faculty of Pharmacy or Faculty of Medicine. |
| Veterinary Genetics | Master | 4 | | -To be a graduate of Faculty of Veterinary Medicine, Faculty of Medicine, Faculty of Dentistry, Faculty of Pharmacy, Faculty of Engineering (Biotechnology and Genetic Engineering, Bioengineering), Faculty of Sciences (Molecular Biology, Molecular Biology and Genetics, Biology Departments), Faculty of Health Sciences (Bioengineering), Faculty of Agriculture, Faculty of Education (Biology and Science Teaching). -To get at least 50 points from the central Foreign Language exams accepted by the Council of Higher Education. |
| Veterinary Medicine-Internal Medicine | PhD (Click for Thesis Topic) | 1 | 1 | -To be a graduate of the Faculty of Veterinary Medicine, to do his / her internship on farm animal medicine. |
| Veterinary-Animal Nutrition and Nutritional Diseases | PhD (Click for Thesis Topic) | 1 | | -To be a graduate of the Faculty of Veterinary Medicine |
| Veterinary-Parasitology | PhD (Tez Click for Thesis Topic) | 1 | | -To be a graduate of the Faculty of Veterinary Medicine |
| Veterinary-Virology | PhD (Click for Thesis Topic) | 3 | | -2 Quota requirement: To be a graduate of the Faculty of Veterinary Medicine or to have a master's degree in one of the fields of Molecular Biology and Immunology - To submit a letter of intent explaining why you want to study for a PhD in Virology. -1 quota condition: To be a graduate of the Faculty of Veterinary Medicine. -Submitting a letter of intent explaining why you want to study for a PhD in Virology. |
| Veterinary-Aquatic Animal Diseases | PhD (Click for Thesis Topic) | 2 | 2 | -To be a graduate of the Faculty of Veterinary Medicine |
| Veterinary - Animal Science | Non-thesis Master's Degree | 18 | | |
| | Master | 5 | | |
| | PhD (Click for Thesis Topic) | 5 | | -To be a graduate of the Faculty of Veterinary Medicine |
| School of Health-Nursing | Master | 6 | | -Graduating from Faculty of Health Sciences, Faculty of Nursing, Nursing or Health Officer Departments of Health Colleges. -To get at least 50 points from the central Foreign Language exams accepted by the Council of Higher Education. |
| | Phd (Click for Thesis Topic) | 1 | | -To have a bachelor's degree from Faculty of Health Sciences, Faculty of Nursing, Nursing or Health Officer Departments of Health Schools; -To have a master's degree with thesis in the field of Psychiatric Nursing. |

| | | | | |
|--------------------------------------|-----------------------------------|-----------|----------|--|
| SBF-Internal Medicine Nursing | Master | 2 | | - Faculty of Health Sciences, Faculty of Nursing, Health To graduate from Nursing or Health Officer departments of Higher Schools. -To get at least 50 points from the central Foreign Language exams accepted by the Council of Higher Education. |
| TOTAL | Non-thesis Master's Degree | 18 | | |
| | Master | 36 | | |
| | PhD | 34 | 4 | |

KESİN KAYIT İÇİN GEREKLİ BELGELER

Kesin kayıt yaptırmaya hak kazanan adayların, aşağıda yazılı belgeleri ilân edilen süre içinde Enstitü Müdürlüğüne şahsen kayıt yaptırmaları gerekmektedir

(Mücbir sebeplerden dolayı şahsen yapılamayacak işlemlerde iadeli/taahhütlü posta veya kargo ile gönderilen evraklarda gecikme dikkate alınmayacaktır).

a) Documents Required from Students of the Republic of Turkey

- 1) Certified copy of diploma or graduation certificate: Certified copy of the recognition certificate that Turkish students who have completed their education abroad will receive from the Council of Higher Education; *Undergraduate documents for the Master's program, Master's documents for those applying for the PhD program
- 2) ALES or equivalent exam result document: TUS certificate or computer printout from Faculty of Medicine graduates who are accepted to Basic Medical Sciences PhD programs, and DUS certificate or computer printout from Dentistry graduates.
- 3) Transcript: A certified photocopy of the document showing the transcript of courses and grades and the graduation success score or a printout taken from e-government
- 4) Computer printout of the exam result document whose equivalence is accepted by YDS / YÖKDİL or ÖSYM (for PhD programs)
- 5) Photocopy of Republic of Turkey Identity Card
- 6) 4 recently taken photographs of 4.5x6 cm size
- 7) For male candidates, a document proving that they are not related to military service.

- 8) Click here for the permission letter stating that there is no objection to pursuing postgraduate education from the workplace.
- 9) Student registry form (to be obtained from our Institute's website. (FR 3.4.1-05)
- 10) Advisor preference form (to be obtained from our Institute's website. (FR 3.4.6-01)
- 11) Non-thesis Master's Tuition Fees:

| DEPARTMENT | FALL | SPRING |
|---|-------------|---------------|
| Veterinary-Zootechnics Non-Thesis Master's Degree | 11.000TL | 12.650TL |
| Medicine-Disaster Medicine Non-Thesis Master's Degree | 15.200TL | 15.200TL |

Note: If the number of students registered for the Non-Thesis Master's Program in Veterinary Medicine - Animal Husbandry is less than 7, the program will not be opened.

b) Documents Required from Foreign Students

- 1) Certified copy of the diploma or graduation certificate: Notarized translation of the diploma or graduation certificate received abroad and the original or officially approved copies of the recognition certificate received from the Council of Higher Education.
- 2) Transcript: The original or an officially approved copy of the document showing the transcript of courses and grades and the graduation success score; Courses and transcripts taken from foreign countries, originals or officially approved copies of notarized translations
- 3) C1 level document proving that they have passed the Turkish exam conducted by ULUTÖMER, YEE or TÖMER: (Except for those who graduated from a higher education institution in Turkey) Candidates who do not have a C1 certificate are given 1 year to obtain this document.
- 4) Computer printout of the exam result document whose equivalence is accepted by YDS / YÖKDİL or ÖSYM (for PhD programs)
- 5) Passport: Notarized copy of the passport with a student visa translated into Turkish
- 6) Residence permit: Submission of the original or officially approved copy of the residence permit to be obtained from the Immigration Administration to the Institute within one month at the latest from the date of final registration
- 7) 4 recently taken photographs of 4.5x6 cm size
- 8) Click here for the permission letter stating that there is no objection to pursuing postgraduate education from the workplace.
- 9) Document showing that the fee determined by the relevant legislation has been paid.

- 10) The original or an officially approved copy of the document from scholarship candidates stating that they will study on a scholarship
- 11) Student registration form (will be obtained from our Institute's website) (FR 3.4.1-05)
- 12) Advisor preference form (will be obtained from our Institute's website) (FR 3.4.6-01)
- 13) Foreign student tuition fee is 19.953,00 Turkish Liras for one semester.
