

**T.R.**  
**BURSA ULUDAG UNIVERSITY GRADUATE SCHOOL OF HEALTH SCIENCES**  
**2024-2025 ACADEMIC YEAR SPRING SEMESTER**  
**GRADUATE PROGRAMME QUOTAS AND APPLICATION REQUIREMENTS**

Dear Candidates,

Bursa Uludağ University Graduate School of Health Sciences has been awarded the ORPHEUS label on 13 March 2024, which aims to develop and expand the basic standards and good practices in doctoral education in biomedicine and health sciences in Europe and aims to raise the standards of the qualifications of candidates who will graduate from doctoral programmes.

In our Graduate School, education is provided in accordance with international ORPHEUS good practice standards. Starting from the 2024-2025 academic year, our students who will be registered in the PhD programmes of our Graduate School will graduate with the ORPHEUS label.

In the spring semester of the 2024-2025 academic year, your applications for postgraduate education at the Graduate School of Health Sciences of our University will be made according to the following principles. We kindly request you to carefully review the application conditions announced in order for your application and registration procedures to be carried out without error.

BUU Graduate School of Health Sciences

Application, interview and final registration dates will be organised according to the following schedule.

<b>On-line Application Date</b>	<b>06-07-08 January 2025 Time:17:00</b>
<b>Announcement of Scientific Evaluation / Interview Candidates</b>	<b>10 January 2025</b>
<b>Scientific Evaluation / Interview Date</b>	<b>13 January 2025</b>
<b>Scientific Evaluation / Interview Place</b>	<b>Related Department</b>
<b>Scientific Evaluation / Interview Time</b>	<b>10:00</b>
<b>Announcement of preliminary results</b>	<b>15 January 2025</b>
<b>Date and time of objection of preliminary results (Final results will be announced after three working days objection)</b>	<b>15-16-17 January 2025 Saat:16:00</b>
<b>Announcement of final results</b>	<b>21 January 2025</b>
<b>Final Registration Dates</b>	<b>22-23-24-27 January 2025 Time:16:00</b>
<b>Announcement of Substitutes</b>	<b>28 January 2025</b>
<b>Final Registration Date of Substitutes</b>	<b>29 January 2025 Time:16:00</b>

## ON-LINE APPLICATION PROCESSES

Application procedures for the programmes for which quotas are announced in the spring semester of the 2024-2025 academic year will be made electronically via the internet without interruption within the application dates. Before starting the 'on-line application' process, please carefully read the information about the quotas, application conditions and evaluation criteria below.

### **IMPORTANT EXPLANATIONS**

1. The interview quota will be 30 for programmes with 15 or less quota and 2 times the quota for programmes with more than 15 quota.
2. Candidates can apply to one thesis programme and one non-thesis programme at the same time. Candidates cannot apply to two thesis or two non-thesis programmes at the same time.
3. Applications will be made 'on-line'. Postal applications will not be accepted.
  - Candidates are required to submit the on-line application form to the interview jury members during the interview.
  - Candidates are required to have their 'transcripts' (certified photocopy) showing their bachelor's / master's degree grade point averages, which they declared during their application, with them during the interview and submit them to the interview jury. Candidates who do not submit the transcript document to the interview jury will not be taken to the interview. Even if they have taken the interview even their applications will be deemed invalid. Transcript from e-government is valid.
4. The information filled in during the online application will be accepted as the candidate's declaration.

Candidates who are eligible for final registration must register in person with the necessary documents to the Directorate of the Graduate School of Health Sciences within the announced registration period. **(For documents sent by registered mail or cargo with return receipt / registered mail or cargo for transactions that cannot be done in person due to force majeure, delay will not be taken into account).**
5. Applications that do not comply with the prerequisites of the Department and Bursa Uludağ University Graduate Education Regulations will be rejected.
6. Candidates are required to follow the interview lists and results through the online system they applied for.
7. In the evaluation stage, if the transcripts of the students have both the scores in the 4 point system and the scores in the 100 point system of the universities, the student must definitely enter the score in the 4 point system into the system.
8. These grades are automatically converted by the online application system in accordance with the conversion table of YÖK's 4 point system.
9. Foreign National candidates are required to have their relevant documents approved by the Foreign Representative Offices of the Republic of Turkey in their home country and bring the copies of the approved documents translated into Turkish by a Sworn Translator to the institute.
10. Foreign national candidates who are entitled to final registration must first register to our Institute and get a student number.
11. Candidates who have worked as a manager in the public or private sector for at least 10 years are not required to have a graduation grade of 2.25.

Candidates in this situation must submit the documents certifying that they have worked as a manager to our Institute within the application dates..
12. The educational fee for foreign candidates is 19.953,00 TL for one semester (autumn semester).

## APPLICATION PROCEDURES
