**GRADUATION REQUIREMENT PRINCIPLES AND REQUIRED DOCUMENTS FOR GRADUATE STUDENTS**

1- According to the QS classification, **maximum 3 (three) students can benefit from the articles published in journals classified as Q1 and Q2, and 1 (one) student can benefit from the other articles** to meet the graduation publication requirement. The order of names in the publication will not be considered, and action will be taken according to the declaration form indicating which student/s will benefit from the article in his/her graduation.

2- It is necessary to check whether the published journal is in the category of predatory and fake or not. The publications made in the journals in the "https://beallslist.yolasite.com/" predatory and fake Journal Database opened by Bursa Uludağ University Library will not be accepted in the evaluation of the graduation publication requirement.

3- 1 (one) student can benefit from an oral presentation or poster activities to meet the graduation publication requirement. The order of names in the presentation will not be considered, and action will be taken according to the declaration form showing which student(s) will use the article at their graduation.

4- To benefit from an oral presentation or poster activities, the presentation must be made by the student who will meet the publication condition.

5- It is essential that all activities that will be submitted as a graduation requirement are registered in the YÖKSİS database. Activities that are not registered in the YÖKSİS database are not considered.
