

## ULUDAG UNIVERSITY

UNIVERSITY SENATE MEETING

SESSION DATE	NUMBER OF SESSIONS
8 September 2016	2016-15

**DECISION NO 1:** The article of the Registrar's Office, dated 2.9.2016 and numbered 32441, on the subject of preparing at least 1 publication for master students and at least 2 publications for doctorate students during their education at the graduate school of our university, was started to be discussed.

At the end of the negotiations; for Master's and doctoral students, who are studying at the graduate schools of our university and who have not reached the thesis stage as of September 8, 2016, it is necessary to have a full-text original published or accepted article- related to the their thesis topic or in their program subject- as stated below.

It was unanimously decided that there should be, In the master's degree, to have an article from A.1.3, if this is not possible, there may be two articles in total from A.1.15 or A.1.16, apart from this, a national or international congress article added to one of the A.1.15 or A.1.16 articles (a total of two publications),in the doctoral degree, at least two articles in total from A.1.1, A.1.2 or A.1.3 in Graduate School of Social Sciences, and at least two articles in total, one in A.1.3 in addition to at least one article under A.1.1 or A.1.2 in the Graduate School of Science, Health Sciences and Education Sciences.
