### UI GreenMetric Questionnaire

University : Bursa Uludag University  
Country : Turkey  
Web Address : <http://www.uludag.edu.tr/english/default>  
Web Address for Sustainability Office: <https://uludag.edu.tr/sustainability>

#### [5] Transportation (TR)

##### [5.9] Zero Emission Vehicles (ZEV) Policy on Campus

1-University Cycling Club (Bursa Uludag University, Turkey)

2-Cycling routes and signboards for cyclists at the campus (Bursa Uludag University, Turkey)

3-Cycling is encouraged within the university campus (The picture is from the start of a project to promote cycling by one of the former rectors of the university.)

4- Bicycle stations at 4 different points at the university campus (The picture is from the opening of the environmental walk and bicycle stations with the participation of the rector and the mayor)

**Description:**

- 1- The university has a cyclists club (members from both students and staff of the university). This group organizes cycling visits and projects encouraging cycling and other nature-friendly activities.
- 2- Most of the sites of Bursa Uludağ University are cyclist and pedestrian-friendly. Cycle paths are shown in blue color in the image above. It is possible to reach the university by cycling from the student town and urban area within the city.
- 3- Cycling is encouraged within the university. Sometimes special projects are run by students, and university representatives show support.
- 4- There are bicycle stations at 4 points in order to support environmentally friendly transportation on campus. At the same time, students can easily reach the campus from Görükle by bicycle.
