### [1] Setting and Infrastructure (SI)

#### [1.3] Number of Campus Sites

	<p>Main Campus (Bursa Uludag University, Turkey)</p>
	<p>Entrance of the Central Campus (Bursa Uludag University, Turkey)</p>

#### Description:

Bursa Uludağ University, established in 1975 under the name of Bursa University and took its current name in 1982, has been successfully continuing its educational services ever since with its 13 faculties, two schools, 15 vocational schools, one conservatory, four institutes, 21 applied research centers and five departments under Rectorate. Apart from these units, there is also the Faculty of Dentistry and Gemlik Necati Kurtuluş School of Maritime, founded by law but not functioning currently.

The Rectorate, the institutes and most of the faculties are located on central campus in Görükle with an area of 14 million m<sup>2</sup> and 20 km away from the city center. The university has 7 different campuses. GreenMetric application is filed for the Main Campus.

In the academic year 2020-2021, 51196 students are studying at Uludağ University's Main Campus. As of June 2021, Bursa Uludağ University has 2,074 teaching staff and 1795 administrative staff, which makes a total of 3869. The total population of the main campus is 55065 people.
